

Bartosz Coda

IT INFRASTRUCTURE & OPERATIONS LEADER | INFRASTRUCTURE MANAGER

Enterprise Infrastructure | IT Service Delivery | Hybrid IT

Germany (Saarland) / Luxembourg | +48 792 033 333 | bartosz@codasolutions.pl | In [/bartosz-coda](#)

Profile

IT Infrastructure & Operations leader with 15+ years of experience delivering enterprise IT services across manufacturing and international environments.

Specialized in stabilizing and modernizing production-critical infrastructure, building IT operational structures and leading infrastructure transformation initiatives in regulated environments.

Combines strong hands-on expertise with ownership of infrastructure operations, service delivery and operational stability in complex environments.

Focused on building resilient, scalable and business-aligned IT operations.

Current Role

SaarGummi Group | *Manager IT – Germany & Luxembourg*

Scope: **600+ users** | **~80 servers** | **production-critical environment**

Responsibilities:

- Accountable for end-to-end infrastructure and IT operations
- Leading service delivery and support teams
- Managing vendors and IT budget (€200k+)
- Ensuring compliance and operational stability

Key achievements:

- Built IT department from scratch (team, processes, governance)
- Reduced backlog: 350 → <50 tickets
- Led infrastructure & operations transformation
- Implemented endpoint modernization (Intune rollout)

Previous Highlights

Senior Infrastructure / Service Delivery – SaarGummi - Global infrastructure (10+ locations)

→ designed architecture, negotiated vendor terms and led migration to VMware vCloud Director (private cloud)

IT Infrastructure Lead – RSM Poland - 250+ users | 3 locations

→ built full IT environment, scaled during 450% growth

IBM – Wintel SME - 70+ enterprise servers

→ infrastructure transition (India → EU)

Certifications
